PRELIMINARY AMENDMENT

Sir:

Prior to calculation of the filing fee and examination, please
amend the above-identified application as follows:

IN THE CLAIMS

Please amend the claims as follows:

7. (amended) An electronic apparatus comprising at least:

- means of access to a database containing summary
descriptions of characters,

-

a device intended for controlling the display of at least one character on an output apparatus as claimed in claim 4, said database being accessible to said device,

- an output apparatus intended to display at least one character and controlled by the control device.

8. (amended) A computer program product for controlling the display of at least one character on an output apparatus intended to display, a summary description of said character being included in a database accessible to the computer, comprising at least the instructions necessary for carrying out the steps of the methods described in claim 1.

REMARKS

The foregoing amendments to the claims were made solely to avoid filing the claims in the multiple dependent form so as to avoid the additional filing fee.

The claims were not amended in order to address issues of patentability and Applicant respectfully reserves all rights he may have under the Doctrine of Equivalents. Applicant furthermore reserves his right to reintroduce subject matter deleted herein at
